

TransCity Limos Helps Clients Enjoy Cinco de Mayo and Memorial Day weekend and Avoid DUI Laws.

CHANDLER, Ariz. (April 30, 2013) – Backyard parties and special events are as much a part of the upcoming summer season as good barbeque and a refreshing pool. Unfortunately, this often leads to an increase in people driving under the influence of alcohol. TransCity Limos, a Chandler-based Arizona limousine and luxury executive sedan company offering transport for special occasions, corporate and airport transportation, and more, suggests partiers rent a limo and let someone else do the driving this Cinco De Mayo and Memorial Day weekend and summer season.

"Arizona has one of the toughest DUI laws in the country, but that doesn't mean you can't go out and have a good time over the holidays," says Jason Knight, GM of TransCity Limos. "Renting a limousine is a great way to enjoy a night on the town, and when you share the costs with your friends and family it is very affordable as well."

TransCity Limos takes safety seriously. All of the company's chauffeurs are professionally trained, fully licensed, and background checked. And all of the company's cars are built by the top coach builders in the country and loaded with great amenities including flat screen TVs, touch screen controls, and state-of-the-art sound systems with smart phone capability.

"There is no better way to spend an evening than by enjoying comfort and convenience with friends and family, and it's much more special in a luxury SUV or stretch limousine," says Knight. "And TransCity can suggest great hot spots in Phoenix, Scottsdale or anywhere in the valley. Most importantly, you'll be in safe hands."
