

TransCity Limos Selected as 'The Limousine Provider of The Views at Superstition'

Chandler, Ariz. [Aug. 1, 2013] –TransCity Limos, a Chandler, Arizona-based limousine and luxury sedan transportation company, announced today it has been selected by The Views at Superstition to be the venues official limousine and transportation provider. As part of the deal, The Views at Superstition will work exclusively with TransCity Limos for its executive car and limousine ground transportation needs in the greater Phoenix marketplace, as well as for other transportation services as needed. TransCity will receive marketing and promotional opportunities in addition to the designation as "The Limousine Provider of The Views at Superstition."

"TransCity provides a high standard of service and sophistication, which is what we were looking for in a luxury transportation partner," said Tracy Machajewski, president of The Views at Superstition. "We are proud to call them our partner, and look forward to working with them on a very successful and productive relationship." The partnership includes advertising and promotions at The Views at Superstition events and online media platforms.

"This is a tremendous opportunity for us to align with a great venue like The Views at Superstition and be able to showcase why we're the premier limousine company in Arizona," said Jason Knight, GM of TransCity Limos. "When you rent with TransCity you always receive exceptional and safe service, highly-trained chauffeurs, and the best and most modern fleet of luxury vehicles around."
